

ROOTS & WINGS

Sustained giving provides a strong foundation for the work of the St. Joseph Family, helping us plan our current and future activities with the assurance of a strong base of on-going giving and resources.

This giving program is called "Roots & Wings". That title is symbolic of the philosophy of the St. Joseph Family. All the lives impacted by the SJF programs — Wings residents, boys supported by St. Joseph's Home, and the LST students, are being given strong **roots** by the SJF — in the forms of family, care, support, education, faith formation, etc. This will anchor them for their futures as productive members of Haitian society. At the same time they are also being given **wings** and taught to fly — in relation to their futures, their possibilities, their self-confidence, etc. With the ability to fly and dream, their futures are limitless.

Monthly donors can give at several levels, as listed below. All Roots & Wings monthly sponsors will receive mailings several times a year from the St. Joseph Family to update them on the various programs of the SJF, targeted to their level of support.

WINGS OF GREEN WINGS OF HOPE RESIDENT

This long-standing program allows a donor to support the residents of Wings of Hope. Sponsorship is \$30 a month (or \$360 per year) per resident. In addition to the knowledge that your contribution is having a direct impact on the life of

a young person in Haiti, sponsors get to know the children through crafts, letters, pictures, school reports, and biographies thoughtfully and regularly prepared by the St. Joseph Family and sent to them.
